

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

Don't Take Chances—

The day was fine, the light was right, the time was correct, yet the pictures did not turn out. Has that ever happened to you? If it has, look first at your camera. If that is as it should be there is only one answer—the films were spoiled in developing or the prints were not correctly made. OUR SERVICE IS SOMETHING YOU CAN DEPEND UPON. Bring us your next film and we will show you what expert handling means.

Funeral services for Eugene Talbot Parker, well-known Washington architect, who died Friday after years of illness, were held at 11 o'clock this morning at Lee's chapel. BRITISH GOOD IRISH TO REVOLT, CHARGE

Speakers at a meeting of the Society of the Friends of Irish Freedom, in Gonsaga Hall, last night, declared the British government is trying to drive the people of Ireland to rebellion. All the speakers declared against a League of Nations covenant that ignores the independence of Ireland.

Sergeant Greally, an Irish soldier in the First division, told of indignities to which the Irish were subjected at the hands of the British. Martin Williams, former reading clerk of the House of Representatives, reviewed the work done by the Irish societies in the United States. Raids made in towns in Ireland were denounced by P. J. Ryan and the Rev. John Callahan, of Baltimore. Rosa F. Downing, president of the local society, presided.
